

Lake Louise Ski Friends

August 28, 2025.

Re: Yearend Financial Statements for the year ended May 31, 2025.

I have reviewed the information provided by the Ski Friend Treasurer and Board. Based on the information provided to me the presentation of the financial statements and transactions throughout the year are within the normal course of business processes. There is nothing presented to me that would indicate that the financials do not fairly represent the normal course of business for the Lake Louise Ski Fiends. I am not a certified auditor and have provided a review of the presentation of financials and do not have any concerns.

Regards.

A handwritten signature in dark ink, appearing to read 'Margaret Farris', is written over a horizontal line.
